Preparation for Worship

‘Salt’ is the generic name we use to describe any substance produced by the reaction of an acid with a base – a process known as a neutralisation reaction.

All these salts share some characteristics: their ionic bonds, their relatively high melting points, their electrical conductivity when melted or in solution and their crystalline structure as a solid.

Salts, both those occurring naturally and those made by neutralisation processes, are incredibly important substances.

It is estimated that salt has over 14,000 uses ...

Call to Worship

The light of day dawns upon us
and draws us into Christ's presence.

**Blessed by cleansing waters and seasonal rain,
remembrances of baptism that shape our belonging.**

Called to be salt and light,
we share Christ's presence in worship and in life.

We discover

**that salt might preserve, but it also draws flaws to the surface,
that light might offer comfort, but it also reveals the hidden.**

Let us worship the Creator who delights in justice restored.

May God's ways endure.

Hymn No 135 (Christe Sanctorum)

"O laughing Light, O first-born of creation"

Welcome & Intimations

Prayers of Approach & Confession

God of kindness,
we celebrate Your kindness
revealed in the glory of creation,
in the variety of colour, shape and shade,
in humour, compassion and warmth.

**Forgive us when we forget the gift we are,
the care that sustains each moment,
the grace that transforms a day.**

**Set us free from the prison of grudging hearts,
means desires,
resentful spirits,
and give us courage to act with justice and generosity
with a love that does not calculate or keep score.**

The Lord's Prayer

**Our Father, which art in heaven,
hallowed be thy name.
Thy kingdom come, thy will be done
on earth, as it is in heaven.
Give us this day our daily bread.
And forgive us our debts,
as we forgive our debtors.
And lead us not into temptation,
but deliver us from evil,
For thine is the kingdom,
the power and the glory,
for ever. Amen.**
